

asparagine. The DNA codon which encodes for asparagine, ASN, is either AAC or AAT. ✓

On page 32 line 14 after the first amino acid sequence insert --(Sequence 4)-- this is not new matter as it is inserted only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 32 line 17 after the second amino acid sequence insert --(Sequence 5)-- this is not new matter as it is inserted only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 32 line 24 after the third amino acid sequence on the page insert --(Sequence 6)-- this is not new matter as it is inserted only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 35 line 26 after the amino acid sequence 'GAL-Glu-Phe-Met-Arg-C' insert --(Sequence 7)-- this is not new matter as it is inserted only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 36 line 2 after the first amino acid sequence insert --(Sequence 8)-- this is not new matter as it is inserted only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 36 line 4 after the second amino acid sequence on the page insert --(Sequence 9)-- this is not new matter as it is inserted only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 36 line 7 after the third amino acid sequence on the page insert --(Sequence 10)-- this is not new matter as it is inserted only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 40 line 29 after 'Polypeptide 1' insert --(Sequence 11)-- this is not new matter as it is inserted only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 41 line 11 after 'Polypeptide 2' insert
--(Sequence 12)-- this is not new matter as it is inserted
only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 44 line 1 after 'Polypeptide With Hinge' insert
--(Sequence 13)-- this is not new matter as it is inserted
only to comply with the requirements of 37 CFR §§1.821-1.825. ✓

On page 44, line 4 after 'Polypeptide Without Hinge' insert
--(Sequence 14) this is not new matter as it is inserted only
to comply with the requirements of 37 CFR §§1.821-1.825. ✓

Also, please insert after page 44 and before the claims on
page 45 the enclosed paper copy of the sequence listing which
is accompanied with a computer-readable disk. This is not
new matter as it is inserted only to comply with the
requirements of 37 CFR §§1.821-1.825.

Respectfully submitted,

Paul G. Lunn
